

2019 Graduate Student Resources

**Georgia
Tech**  **Mechanical
Engineering**
The George W. Woodruff School
of Mechanical Engineering

Campus Resources for Students at Georgia Tech

Georgia Tech Women's Resource Center: <http://www.womenscenter.gatech.edu>

- Birth Control: <http://www.womenscenter.gatech.edu/birth-control>
- Divorce: <http://www.womenscenter.gatech.edu/divorce>
- LGBTQIAA Resource Center: <http://www.womenscenter.gatech.edu/lgbtqiaa>
- Scholarships: <http://www.womenscenter.gatech.edu/scholarships>
- Housing: <http://www.womenscenter.gatech.edu/housing>
- Safety on Campus: <http://www.womenscenter.gatech.edu/safety-campus>
- Student Parents: <http://www.womenscenter.gatech.edu/student-parents>
- Health and Wellbeing: <http://www.womenscenter.gatech.edu/health-and-wellbeing>
- Community Resources: <http://www.womenscenter.gatech.edu/community-resources>

Georgia Tech Student Diversity Programs:

<http://diversityprograms.gatech.edu/content/8/about-the-diversity-programs>

Student Diversity Programs provides an institutionalized approach for meeting the co-curricular needs of students by coordinating and planning educational opportunities that enhance interaction and learning across groups. Through intentional programs like Diversity Week, the MLK Student Celebration, the Power Over Prejudice Summit, and Diversity Through the Arts, the Office assists the campus in understanding, appreciating, and celebrating Tech's rich cultural diversity. Workshops and training opportunities are available for students, student groups, faculty, staff, and departments. Diversity Programs also works to eliminate discrimination and acts of intolerance on campus.

BGSA - Black Graduate Students Association

SLOAN - Mentoring fellowship program for African American/Hispanic grad students

Georgia Tech LGBTQIA Resource Center: lgbtqia.gatech.edu

- Ask Aby - Submit Anonymous Questions Here! <http://lgbtqia.gatech.edu/ask-aby>
- Health & Wellness Resources for LGBTQIA: <http://lgbtqia.gatech.edu/health-wellness>
- Policy Library - Laws and Policies for the LGBTQIA Community: <http://lgbtqia.gatech.edu/content/policies-and-practices>
- Off-Campus Organizations - Local and Regional Organizations: <http://lgbtqia.gatech.edu/campus-organizations-partners>
- Trans Resources - For Transgender & Gender Questioning Folks: <http://lgbtqia.gatech.edu/transgender-resources>
- QTPOC Resources - Resources for Queer & Trans People of Color: <http://lgbtqia.gatech.edu/queer-and-trans-people-color>
- Campus Partners - Learn About Our Allies Across Campus: <http://lgbtqia.gatech.edu/campus-partners>
- Allyship Resources - Resources for Practicing Allyship: <http://lgbtqia.gatech.edu/allyship-resources>
- Community Education - Workshops and trainings: <http://lgbtqia.gatech.edu/content/allyship-trainings-and-workshops>

Georgia Tech Office of Disability Services: <http://disabilityservices.gatech.edu>

- Priority course registration
- Testing accommodations: <http://www.adapts.gatech.edu/content/84/testing-accommodations>
 - Extended time on quizzes, tests, or exams
 - Low distraction testing environment
 - Use of assistive technology
- Interpreting/Captioning services
- Textbooks in alternative format such as Braille, audio books, and large print
- Note Taking Services: <http://www.adapts.gatech.edu/content/85/note-taking-service>
- Course materials in alternative format
- Permission to audio-record lectures
- Transportation Service: <http://www.adapts.gatech.edu/content/87/transportation-services>
- Removal of structural barriers
- Assistive listening devices
- Course attendance accommodations
- Roy and Zou Feagin Scholarship: Students with disabilities are eligible: <http://www.finaid.gatech.edu/content/roy-and-zou-feagin-scholarship>
- Autism Spectrum Counseling Group
- Georgia BreakThru: <http://www.georgiabreakthru.org/students>
Sponsored by the National Science Foundation, BreakThru is a powerful learning community that connects students with disabilities and learning challenges to mentors in a 3-D virtual world to promote universal learning and accessibility in STEM fields.
- Eye to Eye: http://www.eyetoeyenational.org/programs/our_programs.html
Eye to Eye is a national mentoring movement that pairs children who have learning disabilities and attention deficit hyperactivity disorder (LD/ADHD) with college mentors who have similar disabilities.

Georgia Tech Counseling Center: <http://counseling.gatech.edu>

The Counseling Center offers free mental health counseling services to all currently enrolled Georgia Tech students, as well as psychoeducational testing services, stress management and wellness workshops, and in-house focus groups to help clients connect over shared experiences.

Georgia Tech Communication Center: <http://www.communicationcenter.gatech.edu>

The Communication Center promotes excellence in written, oral, visual, electronic, and nonverbal communication in ways that enable members of the Georgia Tech community to have greater success in their academic and workplace careers, as well as in their civic and community lives.

Georgia Tech Center for Teaching and Learning: <http://www.cetl.gatech.edu>

The Center for Teaching and Learning (CTL) is here to enhance the learning and teaching environment at Georgia Tech by encouraging a fully engaged, sharing community with communication networks, resources, and innovative programs for faculty, postdoctoral scholars, and graduate students.

Georgia Tech Center for Career Discovery and Development:

<http://www.careerdiscovery.gatech.edu>

The Center for Career Discovery and Development (C2D2) provides career education, resources, and experiential opportunities to Georgia Tech students across all majors so that they are positioned to launch and sustain satisfying and successful careers that make a meaningful contribution to society.

Georgia Tech Center for Academic Success:

<http://success.gatech.edu/about-us>

At the Center, you will find peer-led supplemental instruction, peer tutoring, academic coaching, and other services that provide the skills and strategies to help you excel. We also work with academic and pre-professional advisors to ensure that you receive the guidance you need as you negotiate Georgia Tech's rigorous degree requirements and prepare for your career.

Georgia Tech Venture Lab: <http://venturelab.gatech.edu>

Venture Lab works with faculty and students to create startups based on Georgia Tech research using evidence-based entrepreneurship.

Georgia Tech Students' Temporary Assistance and Resources:

<http://studentlife.gatech.edu/content/need-help>

- Campus Closet: www.gtcampuscloset.com/
Campus Closet lends appropriate clothing to those who are prospective hires without proper business attire.
- Dean Griffin Hip Pocket Fund:
<https://studentlife.gatech.edu/content/academic-financial-personal-assistance>
The Dean Griffin Hip Pocket Fund offers interest-free emergency loans to students for academic or personal matters. For more information or assistance, contact the Vice President and Dean of Student's office at studentlife@studentlife.gatech.edu
- Klemis Kitchen: <http://www.klemiskitchen.gatech.edu/>
Klemis Kitchen serves as a food pantry for Georgia Tech students with dietary needs and financial concerns that limit their access to proper nourishment. As of February 2016, the functioning and volunteer organization of Klemis Kitchen has been absorbed by Campus Kitchen.
- Housing: Georgia Tech offers temporary housing to students who become unexpectedly displaced or put under financial stress. For assistance or more information, contact Dana Hartley at hartley@gatech.edu

Georgia Tech Veterans Resource Center: <http://veterans.gatech.edu>

The Veterans Resource Center promotes student learning and development and supports degree completion for students who are veterans, military, reservist, guard members, and dependents by providing comprehensive support services that enhance and complement the academic experience.

Campus Resources for Student Parents at Georgia Tech/in Atlanta

Nursing Moms Station

To provide Georgia Tech's nursing mothers with a private, sanitary, onsite location to continue the benefits of breastfeeding for mother and child without adding stress to their already busy lives. Sites are located in the Tech Tower and 3rd Floor of the Student Center. Contact the Women's Resource Center if needing additional assistance.

R. Kirk Landon Learning Center

Phone (404) 249-1500, E-mail: georgiatech@brighthorizons.com

Hours: 7:00 am to 6:30 pm

Contact: Michele Cole-Jones, Bright Horizons Childcare Director, R Kirk Landon Building

The new childcare center for Georgia Tech and the Home Park Community is a reality. Enrollment is available to Georgia Tech faculty, staff, students and members of the Home Park Community.

A Children's Campus at Georgia Tech

This new state-of-the art Center, managed by Bright Horizons Family Solutions (also the management company for R. Kirk Landon Learning Center) will be located at 251 10th Street, Building F, in the Tenth & Home family housing complex. The Center capacity is 101 children from 6 weeks of age to 5 years. For additional information about the curriculum, tuition, and the enrollment process, interested parties should visit the R. Kirk Landon Learning Center website at www.brighthorizons.com/techhomepark. Forms can be downloaded from the Bright Horizons website at Enrollment Form and returned to the R. Kirk Landon Learning Center, 1015 Tumlin Street, Atlanta GA 30318. Once the forms are received, they will be dated and time stamped. We look forward to meeting with you and sharing information about this exciting new venture.

Child Care around Atlanta

Do you need information on childcare? We are currently compiling an information page so you can pick the best childcare possible. We welcome recommendations to add to this list.

Feminist Women's Health Center

1924 Cliff Valley Way, NE, Atlanta, GA 30329

404-728-7900 (Clinic), 404-248-5445 (Administrative Offices)

The Feminist Women's Health Center is Atlanta's only non-profit comprehensive women's health facility, advocating all choices for all women. The Center provides gynecological health care in an environment sensitive to the needs of all women. The Center also provides community education and advocacy in addition to numerous volunteer opportunities. The Center also offers The Chrysalis Project (for young lesbian, bisexual or questioning women, 18 to 29 yrs) and the Young Women's Leadership Project. The Center believes that personal empowerment begins with information and leads to women listening to their own voices, to make their own decisions.

Planned Parenthood

100 Edgewood Avenue, Suite 1604, Atlanta, GA 30303

Phone 404-688-9305

For forty years, Planned Parenthood has been providing health and educational services to the women and men of Georgia. Services include gynecological services, anonymous HIV AIDS testing, birth control, emergency contraception, pregnancy tests and options counseling, STD tests and FIRST Line, an after-hours counseling line. If you have questions or need information, call from 7:00-11:00 p.m. every night to speak with a counselor. Referrals are available for most areas in Georgia. In Atlanta, call 404-659-HELP; In Georgia, call toll free 1-800-264-7154

Campus Resources for Graduate Student Fellowships

Georgia Tech Graduate Studies - Fellowship Office

<http://www.grad.gatech.edu/fellowships>

There are a variety of fellowship opportunities available to graduate students. The Fellowship Office also organizes information sessions for students and provides some one-on-one help for students preparing applications. (Please note that the awards listed on this page are only a selection of those available.) Be sure to search online and ask professionals in your field for additional options.

Also, unless international students are mentioned, the awards listed on this page are open only to U.S. residents. However, both international and U.S. students can use <https://www.scholarships.com> to find possible scholarships. Once you begin the application process, the [Communication Center](http://www.communicationcenter.gatech.edu) (<http://www.communicationcenter.gatech.edu>) is a great resource. Visit the [Fellowships Office](#) website or [email](#) the office for help with locating additional opportunities and preparing applications.

If you are awarded a fellowship, it will be administered by the [Office of Financial Aid](#). So, any questions you have related to payments should be directed to finaid@gatech.edu.

Information for NSF Graduate Research Fellow Applicants and Recipients

If you are interested in applying for a National Science Foundation (NSF) Graduate Research Fellowship or you've received one, be sure to read the following information sheets that we've put together:

- Guidance for Those Applying for NSF Research Fellowships
http://www.grad.gatech.edu/sites/default/files/documents/nsf_information_for_applicants.pdf
- FAQ for Current NSF Graduate Research Fellows
http://www.grad.gatech.edu/sites/default/files/documents/info_for_nsf_grfs_for_web_082114.pdf

General Fellowships

- **Agency for Healthcare Research and Quality**
<http://www.ahrq.gov/funding/training-grants/index.html>
- **Department of Energy Computational Science Graduate Fellowship.** Open to first-year graduate students.
<https://www.krellinst.org/csgf/about-doe-csgf/eligibility-program-requirements>
- **Department of Energy Science Graduate Student Research Program.**
<http://energy.gov/scholarships-and-fellowships> Deadline is Sept. 24.
- **Eisenhower Fellowships (Transportation).** <https://www.fhwa.dot.gov/tpp/ddetfp.htm>
Open to international students if their bachelor's degree is from a U.S. institution.
- **Hertz Foundation Graduate Fellowship** <http://www.hertzfoundation.org/>
- **IBM Fellowship Awards Program.**
<http://www.research.ibm.com/university/phdfellowship/index.shtml> Student must be nominated by doctoral faculty. This award is open to international students.
- **Intel Fellowships** <https://intelfellowships.com/>
- **National Defense Science and Engineering Grants.** <https://ndseg.asee.org/> December deadline.
- **National Institutes of Health.** <http://grants.nih.gov/training/extramural.htm> Additional information available at <https://www.training.nih.gov/programs/gpp>.

- **National Science Foundation Graduate Research Fellowship.** <http://www.nsfgrfp.org/> Open to first-year graduate students or first-semester second year students in science, technology, engineering, or mathematics (STEM) majors. October deadline.
- **Science to Achieve Results Fellowships for Graduate Environmental Study** <http://epa.gov/fellowships/#star>
- **SMART Fellowships.** <https://smart.asee.org/> Funding from the Department of Defense (DOD) for STEM master's or Ph.D. students. Requires DoD work for each year funded. December deadline.
- **Southern Regional Education Board Dissertation Awards** http://www.sreb.org/page/1114/am_i_eligible.html

Underrepresented and Minority Students

- **GEM Master's and Ph.D. Fellowships for Underrepresented Students.** <http://www.gemfellowship.org/students/gem-fellowship-program/application-instructions/> Please reference eligibility requirements [here](#). Applications are due November 15.
- **Merck Graduate Science Research Dissertation Fellowships.** <http://umsi.uncf.org/sif> For African American students doing biomedical research.
- **NIH Diversity Predoctoral Fellowship** <http://www.nhlbi.nih.gov/funding/training/redbook/gradf31.htm>
- **CHCI (Congressional Hispanic Caucus Institute) Scholarship** <http://www.chci.org/scholarships/>
- **Ford Foundation Fellowships** http://sites.nationalacademies.org/pgs/FordFellowships/PGA_047958
- **The Goizueta Foundation Fellowship** <http://www.hispanicoffice.gatech.edu/programs/the-goizueta-foundation-fellowship>

To Go Abroad

- **Fulbright Awards.** <http://us.fulbrightonline.org/> Apply while working on master's degree or in the early stages of working on your Ph.D. (first three years of the program). Open to all fields. Campus deadline is Aug. 1 to complete the preliminary form, and the end of August for the online application. For more information, contact [Kathryn Meehan](#).
- **NSF EAPSI Summer Institutes** http://www.nsf.gov/funding/pgm_summ.jsp?pims_id=5284&org=BIO (East Asia and Pacific Summer Institutes)
- **Whitaker Fellowship** <http://www.whitaker.org/> (Biomedical — for both graduate and postgraduate awards abroad). Whitaker awards are expected to end in 2017.
- **Joint Ph.D. Research Fellowship of the Confucius China Studies Program.** <http://www.iie.org/Programs/Confucius-China-Studies-Program> For humanities, arts, and social science work at one of 15 Chinese Universities. Open to students who are not Chinese citizens.

Master's degree students may also be eligible to apply for nationally competitive awards such as

- **Rhodes Scholarship** (age limit 24) <http://www.rhodesscholar.org/>
- **Marshall Scholarship** <http://www.marshallscholarship.org/>
- **Gates Cambridge Scholarship** <http://www.gatescambridge.org/>
- **Mitchell Scholarship** <http://www.us-irelandalliance.org/content/3/en/George%20Mitchell%20Scholarship%20Program%20%7C%20US-Ireland%20Alliance.html>

- **Churchill Scholarship** <http://www.winstonchurchillfoundation.org/scholarship.html> (to do a one-year master's degree at Cambridge University in a science/technology/engineering/ mathematics area)

Campus deadline for these applications is Aug. 1. For more information, contact Kathryn Meehan in the Office of Fellowships.

International Students

- **Russian Global Education Program.** <http://educationglobal.ru/en/> This program is a Russian government-sponsored program designed to foster mutual understanding and strengthen U.S.-Russian relations. It is designed to help Russian students who are in need of financial support to pay for tuition, living expenses, application, exam fees, travel, visa fees, and transportation costs.
- **China Scholarship Council Graduate Scholarship Program.** <http://www.grad.gatech.edu/fellowships/china-scholarship-council> Up to 70 scholarships will be available for Ph.D. study to candidates who are citizens and permanent residents of the People's Republic of China at the time of applying for entry for the academic year.

For Women

- **AAUW International.** <http://www.aauw.org/what-we-do/educational-funding-and-awards/international-fellowships/> Available for graduate and postgraduate studies.
- **AAUW Dissertation Fellowships.** <http://www.aauw.org/what-we-do/educational-funding-and-awards/american-fellowships/> For students in their final years. Open to people in all fields.
- **PEO Scholarship.** <http://www.peointernational.org/> The Georgia Tech PEO nomination is due in early October. Application is made through the student's graduate coordinator, who must nominate the student. The \$15,000 scholarship is for advanced women graduate students who are enrolled in a doctoral-level degree program and who are U.S. citizens and within two years of completing an academic program (with at least one full academic year remaining). The scholarship is not need based. Call for nominations will appear in Graduate Studies announcements in September.
- **Google Anita Borg Memorial Scholarship.** <http://www.google.com/anitaborg/us/> For women in technology.

Those Interested in Teaching High School

- **Knowles Science Teaching Fellowships for STEM High School Teachers.** <http://www.kstf.org/fellowships/apply/> For information, contact Susan Belmonte.

Language Study

- **Boren Fellowships for Graduate Students.** https://www.borenawards.org/boren_fellowship For those interested in adding a foreign language component to their graduate education. January deadline.
- **Critical Language Scholarship Program** <http://www.clscholarship.org/>
- **Fulbright Program, Critical Language Enhancement Award.** <http://us.fulbrightonline.org/> Available in some languages in some countries.

Completing a Master's or Ph.D.

- **Presidential Management Fellowship** <http://www.pmf.gov/opportunity/index.aspx>

Completing a Ph.D.

- **AAAS Science and Technology Policy Fellowships:** <http://www.aaas.org/program/science-technology-policy-fellowships>

- **Marshall Sherfield Fellowship.:** <http://www.marshallscholarship.org/fellowships/about> Apply in early October the fall before completing a Ph.D. to do a one or two-year postdoc anywhere in the UK. Must have letter of invitation and a minimum 3.7 GPA for all degrees separately. Must be in STEM field.

Gain Washington, D.C., Experience

- **Christine Mirzayan Science and Technology Policy Graduate Fellowship.** <http://sites.nationalacademies.org/PGA/policyfellows/index.htm>
Designed to engage early career individuals in the analytical processes that inform U.S. science and technology policy. Fellows spend 12 weeks at the National Academies in Washington, D.C., learning about science and technology policy and the role that scientists and engineers play in advising the nation.
- **Georgia Tech D.C. Internship Program.** <http://www.gov.gatech.edu/federal/DCinternship.html>
You must have taken one of the following courses prior to applying for program: HIST 2111, 2112, POL 1101, INTA 1200, PUBP 3000 or its equivalent. Open to graduate students in all majors. You must be a returning student and enrolled in classes for the semester following your internship.

Other opportunities:

- **Presidential Management Fellowship (PMF)** <http://www.pmf.gov/opportunity/index.aspx>
- **AAAS Science and Technology Policy Fellowships.** <http://www.aaas.org/program/science-technology-policy-fellowships> Apply when completing Ph.D.
- **White House Fellow.** <http://www.whitehouse.gov/about/fellows/process> Applicants must have completed their undergraduate education and be working in their chosen professions. No formal age restrictions. However, the fellowship program was created to give selected Americans the experience of government service early in their careers.

Resources for Nationally Competitive Fellowships - Databases and Application Help

Other universities also gather graduate fellowship announcements; CalTech's is especially accessible and helpful:

<https://www.gradoffice.caltech.edu/financialsupport/external>

Fellowship recipients also post tips and sample successful essays online. Some examples include:

<http://www.alexhunterlang.com/nsf-fellowship>

<http://grfpessayinsights.missouri.edu/resources.php>

<http://web.ics.purdue.edu/~rberdani/resources.html>

<http://chronicle.com/article/How-to-Win-a-Graduate/46782>

Outreach Opportunities

Women, Science and Technology Center: <https://wst.gatech.edu>

WST research and initiatives aim to improve the recruitment, retention, and advancement of girls and women in STEM, a key issue for Georgia Tech, which is a national leader in this field. WST research focuses on enhancing women's leadership and career advancement, improving representation of women and minorities in STEM education and careers, and career development activities for girls in K-12.

Georgia Tech Society of Women Engineers:

<http://www.swe.gtorg.gatech.edu/outreach/>

Georgia Tech SWE is proud to offer multiple Outreach events throughout the school year. Dates for each event will be listed on the event pages, Outreach Calendar, or on the SWE Calendar, when they become available.

- Little SWE: <http://www.swe.gtorg.gatech.edu/outreach/little-swe/>
- Middle School: <http://www.swe.gtorg.gatech.edu/outreach/middle-school/>
- High School: <http://www.swe.gtorg.gatech.edu/outreach/high-school/>

If you are a SWE member looking to volunteer at one of these events, sign up for on-campus events by contacting the VP of Internal Outreach at swevpoutreachinternal@gmail.com and off-campus events by contacting the VP of External Outreach at swevpoutreachexternal@gmail.com, or sign up for our weekly newsletters and follow the instructions within.

GTSBE-Georgia Tech Society of Black Engineers

<http://gtsbe.org/>

The National Society of Black Engineers (NSBE), is a 501(c)(3) nonprofit organization that is owned and managed by its members. With more than 30,000 members around the world, NSBE is one of the largest student-governed organizations based in the United States. NSBE's mission is **“to increase the number of culturally responsible Black engineers who excel academically, succeed professionally and positively impact the community.”** GTSBE is the Georgia Tech Chapter of the National Society of Black Engineers. GTSBE exists to serve out the NSBE Mission here at Georgia Tech within the Greater Atlanta Community, and is here to help you excel as a student, increase your professional outlook, and make compelling contributions to the community.

GTSHPE- Georgia Tech Society of Hispanic Professional Engineers

<http://gt-shpe.org>

SHPE changes lives by empowering the Hispanic community to realize its fullest potential and to impact the world through STEM awareness, access, support and development. SHPE's vision is a world where Hispanics are highly valued and influential as the leading innovators, scientists, mathematicians and engineers. In GT-SHPE, we believe that every single member is vital for the functionality and success of the organization. That's why we want to make everyone aware of the goals and aspirations of this year's Executive Board; we will do this by making GT-SHPE more available to its members. By showing dedication, hard work, and transparency, we believe that this academic year is going to be one of exceptional progress, professional and academic success and, as always, a lot of fun. Bienvenidos!

Safety at Georgia Tech

Georgia Tech is an urban campus. The majority of crimes reported on campus are thefts, but sexual assaults and relationship violence do occur. While we hope you won't be in need of our crisis services, we want you to know that we'll be here for you if you do have any issues on campus. We can assist you through all the steps involved in getting help - counseling services, medical attention, even reporting the crime to the campus judicial office or the police if you choose. Additional safety information is available at police.gatech.edu and voice.gatech.edu.

Georgia Tech Police Department

The Georgia Institute of Technology Police Department is a fully operational State agency devoted to the protection of the campus, its students, faculty, staff and visitors.

Stingerette Route

Stingerette Escort Service The Stingerette Escort Service provides safe, after hours transportation for Georgia Tech students, faculty, and staff, and is intended for use when safe, alternative travel is not available. This service is limited to transportation between Georgia Tech operated living accommodations, academic buildings, and Georgia Tech facilities situated within the defined campus boundaries.

Please telephone 404-385-RIDE (5-7433) to coordinate Stingerette Escort Service, and provide the dispatcher with the following information: number of people needing an escort current building location destination address.

The dispatcher will advise you of the pick-up location for that building as well as the approximate arrival time of the Stingerette van. Van drivers are instructed to wait two (2) minutes only at any pick-up point. * Please await the van, in obvious sight of the driver, at the pickup location.

Crime Prevention Classes

The GaTech Police Crime Prevention provides classes to sponsoring departments and student organizations on an as-needed/as-available basis.

Campus Safety Report

The 2016 Georgia Institute of Technology Annual Safety & Security Report is prepared in response to the requirements of the Jeanne Clery Disclosure of Campus Police and Campus Crime Statistics Act ("Clery Act."). This Report is a collaborative result among multiple departments and offices at Georgia Tech including GTPD, the Office of Student Integrity, Women's Resource Center, Health Promotion, the Department of Housing, the Office of Fire Safety, and the Georgia Tech Athletic Association as well as other key authorities including the Atlanta Police Department. Each entity provides updated information on its educational efforts and programs to comply with the Clery Act.

Property Registration

Students can register valuable personal property such as laptop and desktop computers, smart phones, tablet devices, and personal entertainment devices.

Bicycle Registration

Students can for register their bicycles. Once you have filled out the form you can stop by the Georgia Tech Police Dept. and pick up your registration decal.

LiveSafe App

LiveSafe Turns Your Smartphone into a Powerful Safety Tool. Download LiveSafe for free on your iPhone or Android. LiveSafe was selected by Georgia Tech students and is used on college campuses all over the U.S. Features include:

- SafeWalk™ so friends and family can electronically “follow you home.”
- Location Sharing with GTPD in an emergency.
- See something – Send something! Report suspicious activity to GTPD with text, photos, and videos – discreetly and anonymously
- Quick Access to Emergency Phone Numbers » Safety Alerts and Notifications

Georgia Tech Emergency Notification System (GTENS)

As part of Georgia Tech's ongoing effort to safeguard students, faculty and staff, the Institute has implemented a new emergency communications system. Known as the GT Emergency Notification System (GTENS), the system allows you to receive time-sensitive emergency messages in the form of e-mail, voicemail and text messages.

Emergency Call Boxes

402 emergency phones that include “blue light” outdoor emergency phones, call box phones and elevator emergency phones located across campus,
