**MECHANICAL ENGINEERING PHD QUALIFYING EXAM
HONOR CODE**

IN CONJUNCTION WITH THE GEORGIA INSTITUTE OF TECHNOLOGY HONOR CODE, I AGREE NOT TO COMMUNICATE ANY INFORMATION REGARDING MY PHD QUALIFYING EXAM INCLUDING EXAM QUESTIONS UNTIL NOTIFIED BY THE GRADUATE PROGRAM OFFICE. THE PURPOSE OF THIS CODE IS TO PREVENT ANY STUDENT FROM GAINING AN UNFAIR ADVANTAGE OVER OTHER STUDENTS.

Once the papers are assigned to you, you are no longer allowed to discuss anything of relevance to these papers, directly or indirectly, with your advisor, lab or class mates, friends, parents, anyone. You are on your own during the 2 weeks of preparation for the exam. You are allowed to read any papers you want, those which are cited in the papers assigned to you or others that are not cited, any books, lecture notes, etc. The only thing that is not allowed is to discuss/consult with others, formally or informally, on any matters that are relevant to your exam preparation.

A student not adhering to the above code will be considered in violation of the honor code and will be reported to the Office of the Dean of Students.
